

JUNE 2007 UPDATE

June 18, 2007

Dear Friends of Brooke, West Coast Chapter,

Well, the weather did not cooperate for the Second Annual Brooke Forbes Carport Sale, but fortunately we were under cover and the bargain hunters found us. In fact, there was a small crowd waiting for us to open at 0900.

Despite the downpour, we raised \$531!!

The "antique" cameras from Sheila's Dad created quite a buzz. The books were a highlight again this year. The bike and the tryke went early. Lots of good stuff sold -- you never know what people will buy -- and the rest went to the Salvation Army.

Thanks to Fraidie, Juli and Lisa Martz, Jack Christie, Sheila Peacock, Laura Palmer, Sid Sawyer, and Sid Portner for making this year's event a soggy success.

The Fund has now broken the \$12,000 mark!

Cheers,

Joan
